STAFFING PATTERNS

Macomb County has shown healthy growth in the industry since 2010. During this time, employment increased by nearly 5,000 individuals. This 13.3 percent growth outpaces a statewide average of 9.5 percent. Home health aides, registered nurses and personal care aides are the careers experiencing the most gains.

Macomb County is serviced by an expansive network of universities and colleges focused on educating a highly-skilled workforce. Many are working on the next advancements in life sciences, health care device manufacturing and specialized care.

MACOMB COUNTY HEALTH CARE SYSTEMS

SUCCESS STORIES

McLaren Macomb Hospital - In April 2018, McLaren Macomb began a \$68 million expansion of its emergency and trauma center that will make it the largest in Macomb County. The project will be completed in 2020 and will double the size of the existing emergency area to 43,735-square-feet with a six story building. The lower level will house a training and graduate medical education center for more than 100 resident and fellowship physicians. The additional space will be utilized for the growing demand for emergency and trauma care in the county.

St. John Macomb-Oakland Hospital - Under the Ascension name, this is a 376 bed facility that offers Centers of Excellence in cardiovascular services, cancer care and neurosciences. The hospital has earned the prestigious three star rating from the Thoracic Surgeons and is an accredited Chest Pain Center with Percutaneous Coronary Intervention. In November 2017, the hospital broke ground on a \$48.1 million expansion, changing its east tower from four to seven floors. The addition will provide 75 new private rooms and 48 renovated private rooms, bringing the total private room count to 220.

Total Sports Park, Washington Township - Total Sports Park is an 80 acre site that is devoted to physical well-being. Twenty-four outdoor soccer fields and a brand new indoor facility, which opened in June 2018, will house soccer, volleyball, basketball, football and dance teams. Currently, the Park has classes in yoga, spinning and a boot camp that are all open enrollment. In the future, the Park plans to host international players and physical therapy in case of injuries. It will also host soccer tournaments for 40,000 people.
